

# CALL FOR APPLICATIONS

## RESEARCH ASSISTANT POSITION

**Position:** Research Assistant

**Field:** Economics/Applied Econometrics

**Workload:** 20 hours per week, but can be adjusted based on the applicant's availability.

**Contract:** A minimum commitment of six months is required. The contract can be renewed up to 12 months following performance evaluations.

**Pay:** 2,650 Reais per month (assuming 20 hours of work per week)

**Application deadline:** Applications will be reviewed on a rolling basis. We suggest applying as soon as possible.

**Preferred start date:** Ideally as soon as possible, but can be negotiated

**JOB DESCRIPTION:** We are hiring a Research Assistant to support with empirical work in Economics and Applied Econometrics. The tasks will be various but will mostly consist in coding with statistical software to build economic datasets and perform econometric tests, or performing literature reviews and writing reports about them. Expertise in econometric theory would be a big plus.

### REQUIREMENTS:

1. Fluency in English
2. Master or PhD student
3. Knowledge of economics and experience with coding in STATA or R or Python.
4. To be eligible, you need to have a Brazilian social security number.

**APPLYING:** To apply for this position, please send an email to [daniele.girardi@kcl.ac.uk](mailto:daniele.girardi@kcl.ac.uk), attaching your curriculum vitae plus any other material you think is useful. A writing sample is not required, but if you have one that you want to include, it is definitely a plus. Applications will be reviewed on a rolling basis and successful candidates will be invited to interview with the principal researchers.

### PRINCIPAL RESEARCHERS:

Daniele Girardi (Lecturer, Department of Political Economy, King's College London)

Raphael Gouvea (Tenured Researcher, IPEA, Brazil)

Anmol Makhija (Research Associate, Yale Program on Financial Stability, Yale School of Management, USA)

Lucca Rodrigues (Research Associate, MADE)
